<b>Description</b>			
Vypracovat popis řešení projektu - část <a href="#">RA3c</a> (související úkoly: <a href="#">#4251</a> , <a href="#">#4252</a> ).			
Počet znaků: 200			

### History

#### #1 - 20.12.2017 16:46 - Skarnitzl Radek

- Status changed from New to Resolved
- % Done changed from 0 to 100

Work on determining intrusive F0 jumps (RA3c) started with PSOLA manipulations of F0 in various types of segments. Preliminary auditory analyses showed little effect of +/- 2ST and even +/- 4 ST discontinuities, and work is currently continuing on devising more sophisticated F0 discontinuities, which also incorporate the direction of change (delta values); perceptual testing will begin in January 2018.
